## Press Release

For Immediate Release

### **Perth, WA: 2 motorcyclists killed in 2 days, by drivers pulling out in front of them.**

"2 needless motorcycle rider fatalities have occurred in as many days, with 1 pillion injured also. At this stage both appear to be due to car drivers pulling out in front of the riders at intersections. The Motorcycle Riders Association of WA (MRA WA) is urging drivers to please look for motorcycles, particularly at intersections.

With the hotter weather upon us, more motorcyclists will be on the roads over the next months. Please be on the look out.

Let's share the roads."

Thank you.
